

## ADDENDUM #1 TO RFP #HRD 09-001

### *Vision Care Benefits*

Please be advised that the County of San Bernardino's Vision Plan Request for Proposal, RFP HRD #09-001, has been amended to rescind a portion of paragraph 5 on page 17, also resulting in the deletion of Exhibit 3B. Paragraph 5 will, therefore, read in its entirety as follows:

5. **Cost.** Include in this section the proposed costs for your firm's vision care services. Proposed costs should be based on: (1) the eligibility rules shown in Exhibit 1, (2) the proposed benefits in Exhibit 2A, (3) the proposed amounts payable for non-network benefits in Exhibit 2B, (4) the proposed copays shown in Exhibits 3A through 3D, and (5) be without commissions. Costs should be broken down into ASO fees and estimated claims costs for self-insured vision benefits and premium rates for the fully-insured vision benefits. Costs should be shown on a daily, bi-weekly and monthly basis. Proposer shall indicate if the proposed costs shall remain the same for years two and three. Please use the format shown in Exhibits 3A, 3C and 3D, Proposed Fees and Premium Rates, for your cost proposals.
